

Material List – Sampler Series - An Adventure in Felt Making, & Transition to Create Wearables - Art Vest or Scarf / Patti Barker

A sharp scissors

A dressmakers tape measurer

Two old towels you do not mind staining

You may get wet so appropriate clothing or bring an apron. Comfortable shoes, for you will be on your feet quite a bit.

One gripping, open weave rubber rug pad (2' X 8' for scarf or 5' X 8' for vest). This pad is the type one uses under an area rug or sometimes used to line shelves and drawers. See an example at Amazon, “LINENSPA ultra grip non slip rug pad - heavy duty area rug gripper for any floor” as an example.

One 1 gallon garden sprayer. You may use brausers and buckets if you wish but hand pump sprayers hurt one's hands on large projects. Sprayers can be shared by a couple of participants. For an example, go to:
